

Monica A. Greene

Monica Greene is President and CEO of Vermont Precision Tools, Inc., headquartered in Swanton, Vermont. Born and raised in Franklin County, she now resides in North Hero with her husband Craig. Both her adult children are also involved in the company business VPT.

As a second generation business owner, she has seen her business grow to over 350 strong through the growth of the Swanton-based operation as well as their two wholly owned subsidiaries – Vermont Thread Gage, LLC and Vermont Custom Gage, LLC. Monica is responsible for providing the visionary and strategic leadership for the organization. In 2015, she was named SBA's 2015 Vermont Small Business Person of the Year. At the national level, Monica was elected to the American Measuring Tool Manufacturers Association Board of Directors and selected as a member of the Women Industrial Supply Executives, an exclusive group within the Industrial Supply Association (ISA) comprised of accomplished and influential women.

Monica has also been involved in the local business community over 30 years. Some of the civic and community organizations she has been involved in include the Vermont Chamber of Commerce, Alburgh Industrial Development Corp, Alburgh Revitalization Committee, Franklin County Industrial Development Corp, Northwestern Medical Center Board of Incorporators, Tim's House (formerly Samaritan House) and MVU Business Education Advisory Board.
